Next

Trusted by over 7,651 NSW Homeowners

- Access the government solar rebate if eligible
- Significantly reduce your power bills
- Leave the power company behind
- No downpayment required
- Zero interest loans available

Saving you money and getting you away from the power company

Solar is a long term investment into your future. Use our easy form to find out if you're eligible to get a high quality solar system with the government rebate. Our partners even offer zero interest loans and require no downpayment.

## Where was the picture of Gladys taken?

A quick look on Google Images identifies the press conference was about Allianz stadium demolition.

## Who is nswrebatefinder.com?

<https://www.whois.net/> shows this as a “godaddy” web site with no indication of who or where it is. It could be a web site operated anywhere in the world

There is no “About” information on nswrebatefinder.com

The Contact information is very difficult to find and then you see there is no Contact information at all ???  
<https://www.nswrebatefinder.com/contact-us/> [DO NOT use the nswrebatefinder.com web site]

The Privacy policy is very difficult to find and it indicates that the web site is not Australian  
<https://www.nswrebatefinder.com/privacy-policy/> The email address at the bottom of the policy does not exist [DO NOT use the nswrebatefinder.com web site]

## Don't use such scammy 3<sup>rd</sup> party websites

The NSW Government has two excellent web sites that clearly explain all the rebates and discounts available and how to access them. And you know who you are dealing with:

All rebates and discounts

<https://www.service.nsw.gov.au/campaign/cost-living>

Energy-specific rebates and discounts

<https://energysaver.nsw.gov.au/households/rebates-and-discounts>
